

CURRICULUM

What will my child be learning?

We recognise that the last few months of being away from school have been traumatic and stressful for everyone. Children will need a period of readjustment to get used to being in school again. With this in mind, we have a designed 'Recovery curriculum' to support them. Stamina and length of lessons will depend on the children's need.

- * an emphasis on mental health and well-being;
- * short age appropriate sessions for phonics, grammar, spelling and mental maths;
- * outdoor activities e.g. PE and visits to our Forest;
- * support for transition between phases e.g. Nursery to Reception will be supported.

Class dojo will continue to support children not attending school.

Everyday	Some days PE kit/Forest School	Optional
School uniform (washed daily) Lunch box Named water bottle	When it is their PE or Forest day, arrive in kit.	If you would like your child to wear PPE, this must be provided from home. Staff will not be able to support children taking it off or putting it on or guarantee that children will wear it all day.

What other measures have been put in place?

- ⇒ additional resources have been removed from classrooms;
- ⇒ areas have been deep cleaned;
- ⇒ desks have been set up 2 metres a part;
- ⇒ individual stationary pots/packs have been made for each child; and
- ⇒ appropriate signage for a one-way system, as well as posters to remind of the guidelines for social distancing and hand washing.
