

## Grange Primary School Nursery Curriculum Map

Every term we will introduce a new topic using an enquiry based learning approach. This will be based around a question and the children will find out the appropriate information to answer and discuss these questions as the term progresses. By the end of each term we will have a range of evidence in a 'Big Book of Enquiry' including photographs, drawings and children's ideas. This book will demonstrate the learning process for the topic. These books will be displayed within the classroom for all to share!

TERM	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Topic title	Who am I?	How do we celebrate?	Which fairy tales do we love?	How do things grow?	How am I changing?	What is out there?
